## HAVE YOU CONSIDER YOUR DEPRESSION DECIPLINE YOU

**Feeling** down from time to time is a normal part of life, but when emotions such as hopelessness and despair take hold and just won't go away, you may have depression. In this article, I would like to bring out a message "How can we overcome the depression" in life by studying one's personality of Bible. Of course...there are many but one. That is Jonah..

**1.Depression:** God decided to send Jonah to Nineveh to preach about God's wrath (Jonah 1:1,2) .But Jonah decided to escape to Tarshis from Joppa( Jonah 1:3). Nineveh is about 550 miles from Joppa but Tarshis is 2500 miles. But still Jonah wanted to escape through such a long journey. He picked up a ship and sleeping deeply at the bottom of the deck. God sent a storm and all the sailors were praying their gods except Jonah. He wanted to be alone, hide, and neglect whatever may happen. At last, he decided to die. These are the symptoms of depression. We must know that "Man desires but God decides" Even as a prophet Jonah did not recognise it. So depression is common to even prophets, Pastors, Saints, Elders and grown people when uncommon things happen. The failed desires take us to depression. If you desires against Gods will, it will lead you depress. It is not wrong to desire. But every desire must be placed before God to get granted in the prayer. The ultimate stage of depression is to

take the decision of death. But death can not solve all the problems of life. We need to kneel down before God to know His will.

The point we need to observe is that Jonah was not flee from ordinance of God but also from the presence of God(Jonah1:3).That's why he thought that the solution to problem (Storm) is death. Instead he simply deliver the message, he created more problems by himself by disobedience. He think he has the fear of God.( Jonah 1:9) Bible says, "In the fear of the LORD is strong confidence" (Pro 14:26). Our fear to God gives us courage to face the situations.

Second time Jonah asked God to kill him (Jonah 4:3) because he felt jealous against forgiven people of Nineveh. He is impatient of their repentance coz he don't like them As Assyrians are against Israelites. It proves his mind-set was not in a right way. This is the problem of depression. They think they are thinking in the right way but in reality its not. (Jonah 4:9) Now let us see how we overcome the depression.

**2.Discipline** ( Chapter 2 ) : "Discipline is doing what you know needs to be done even if you don't want to do it." Bible says, "For the Spirit God gave us does not make us timid, but gives us power, love and self-discipline." ( II Ti 1:7) God sent a large fish to swallow and keep Jonah in its stomach for three days where God led him to pray. "Prayer" is first in Christian Disci-

pline. For Jonah to discipline, God set No place to escape or to die. No place to impatient. He has to wait until God release him. He has to close his eyes and introspect himself what he did against God. In prayer, Jonah remembered that he prayed in the past and God answered him. (Jonah 2:2). Faithful prayer gave him confidence to ask God to save him. In the prayer he realised his position and God's mercy. ( Jonah 2:2-3). He confessed and conformed God that he will offer what he promised him. ( V 9) So, discipline will reveal what is reality and truth and truth will set you free. Jonah realised he can not escape as God is Omnipresent. (Jonah 2:6).

Some times we cannot escape from the things which are so critical made us to worry and frustration which can teach us discipline us with Gods help.

**3.Determination:** Discipline leads to determination. A strong determination is very important to work on difficult tasks that may be evangelising the world. A Task is always an exercise of our talent. But every talent perfected by a skill. That skill is provided by practice with courage. That courage is a gift of God That is what Prophet Jonah received from God's discipline. Some times no options for life. We have to work on what we don't like. Decisions have some options. But determination has no.

When you called as missionary, God take you through the trails to make you strong enough to be courageous to deal with adverse situations of the world.

**4.Deliverance:** This is the ultimate result of your mission. What ever God does, His final goal is to redeem His children. God is omnipotent but He require our willingness to involve in His project. So He can mend us for His purpose. That is where Jonah became the part of redemption project. Jonah has performed his duty only for one day instead of three days in Nineveh. The remaining mission God has done. All 120000 people led to fast and pray and left their wicked ways. This is the ultimate result of this mission where Jonah played a main role in God's drama. (Mathews 12 :41) What we set our goals in our ministry and where is our target place is set? Even though Jonah did not want to go Nineveh, God prepared him by trail and prayer in the deep sea where he could not escape. So, God can prepare you for His mission even it is difficult for you. Hence, do not fear or frustrated. God can lead you. He can mould you for His eternal purpose. Our calling is not just worldly but divinely chosen.
