My heartfelt loving greetings to you in the precious name of our Lord and Saviour Jesus Christ. We, all “The House India” churches praying for all of you that God may bless you with good health and extend His abundant grace upon “The House” ministry. I am so much thankful for your financial support for me to visit “The House” last year. Its my gratitude of the heart to write this news letter to bring your notice how we grow in ministry after I returned back to India.

It was an awaited opportunity to me to visit your ministry and the campus last year in April. I have been so encouraged and blessed to observe all the programs going on for all ages in the “The House Modesto” campus. It impacted me to extend “The House Churches” in India. Now it is growing in deferent aspects and reaching many people in remote villages.

The House India

NET WORK CHURCHES...

We are only 24 churches in 2018. But after returned back many churches has been added to this network by our continuous efforts from last May. We moved new remote tribal places with Gospel Outreach Programs and trained new young evangelists and planted churches among people who living in hills.

Now “The House Network churches” are 36, having nearly 1600 members. The amazing news is, even Communist extremists accepted Jesus Christ. Many testimonies with many miracles happen. We provided financial help to build the churches under “The House India”. Here are some pictures for your kind perusal.

Ministry of Mahanaim

Dear Dad and Mom, This ministry based on "Go and make disciples" (Mathews 28:19). Indian rural evangelism is entirely deferent from developed countries. Most of the pastors coming out and dedicated themselves to preach the Gospel from the local church families in tribal and rural villages.

Because no trained Pastors wants to go these interior places in the woods and vilages. These Pastors do not have any Bible Training but have the desire of winning souls to the Body Of Christ. "THE HOUSE INDIA" s goal is to equip those Pastors with Biblical Knowledge. We teach them with Power-point and in worship. Now we are reaching many new places around 300 km with these trainings. Many new places adding to this ministry. Take a look of the pictures. This ministry is foundation for "The House Bible School". We are praying for equipment including the infrastruc-ture. We are trying to involve many people in this ministry for here and abroad. It's the Resource Center for future generations. Pray for the provisions.

The House Compassion

In India, most of the Gospel unreached people are living in slum and hill tribal villeges. They all living under the poverty line. They need our help in every aspect of life. We are taking this advantages of Social-Gospel, to relate them intimately to the evangelism. We started "The House Compassion" project to helping their needs of Food, Clothing, Medication, Bibles, Solar Lights, Bore wells, Skill Centers. Using little donations of Compassionate saints to supports this project that promotes their life in better way including SALAVATION. These are pictures of last year. We are trying to add more people to support.

Beauty For Ashes

Prophecy says about Jesus in the "Book of Isaiah" "The Spirit of the Lord GOD is upon me; because the LORD hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound; To proclaim the acceptable year of the LORD, and the day of vengeance of our God; to comfort all that mourn; To appoint unto them that mourn in Zion, to give unto them "Beauty for Ashes", the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they might be called trees of righteousness, the planting of the LORD, that he might be glorified. If it must be "Jesus ministry", what about us? That's why "The House India" took this prophecy as it's vision for Social - Gospel Movement through services to bring the Unreached, unfortunate gentiles to Salvation of Jesus Christ. We preach, pray for sick, comfort, speak, advice, warn through entertain through Christian Movies to these innocent people. Please pray that we need a portable generator for this project.

Maries Skill Centres....

Dorcas is the woman in the Bible (Acts 9:36) that uses her skill to stitch for poor. We are so thankful to God to establish "Maries Skill Centres" for empowering the women and train for supporting their poverty suffering families. We "The House India" has been supporting many unfortunate, even crippled men and women to won their sewing machines and provide resources of income through training. We are planning to provide all free Sewing Machines from "The House India"
