**Why don't you Pray
for India right Now??**

Let us keep it in God's hand

G.K. Chesterton said, "Let your religion be less of a theory and more of a love affair." This quote gives us some understanding how we can be religious practically. Bible defined what is the perfect religion in Gods view. "And beside this, giving all diligence, add to your faith virtue; and to virtue knowledge; ⁶And to knowledge temperance; and to temperance patience; and to patience godliness; ⁷And to godliness brotherly kindness; and to brotherly kindness charity". Hence, the final target of the religion is showing the love in deeds. That what we cant see in most of the religion in the world. You can see every religion has its own God, but who never say to kill a man for the sake of the religion to keep it. Is it needed mans worth to keep a religion in the world?? If not so, why man taking the religion in his hand to keep it safe instead of giving chances to God to save His way?? There are many examples of the history of the world that when ever man try to diminish Christianity from the world, it keeps its integrity to expand more and more. I just remind you what happened in first century. The world's first persecution was started against Christianity in the year of AD 67 under the sixth Emperor of Rome. He ordered his servants to set the city on fire for nine days. He threw this total blame upon Christianity. Nero even refined upon cruelty, and contrived all manner of punishments for the Christians that the most infernal imagination could design. In particular, he had some sewed up in skins of wild beasts, and then worried by dogs until they expired; and others dressed in shirts made stiff with wax, fixed to axletrees, and set on fire in his gardens, in order to illuminate them. This persecution was general throughout the whole Roman Empire; but it rather increased than diminished the spirit of Christianity. In the course of it, St. Paul and St. Peter were martyred.

Now you can see, the most central part of Christianity lied in Rome, the Vatican and the Pope. That's what going to happen in India soon. Our vision is to build India as Christian country by 2020 even though many churches has been ruined, people may be killed and threatened, it is God who promised us. "O thou enemy, destructions are come to a perpetual end: and thou hast destroyed cities; their memorial is perished with them. But the LORD shall endure for ever: he hath prepared his throne for judgment. And he shall judge the world in righteousness, he shall minister judgment to the people in uprightness. The LORD also will be a refuge for the oppressed, a refuge in times of trouble. And they that know thy name will put their trust in thee: for thou, LORD, hast not forsaken them that seek thee." (Ps 9:6-10)

This is great mission that JTM committed to lift these children and educate them to stand on their feet. With the help of compassionate brethren , we have been doing this ministry among these children. Here you can be part of it to feed as God said, **“Then shall the King say unto them on his right hand, Come, ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world: 35For I was an hungered, and ye gave me meat: I was thirsty, and ye gave me drink” Matt 25:34,35).**

Let s do His will:.....Amen

Pastoral Ministry & Bible Distributions

You all know one our best project is to equip the Pastors who are working among the surrounding villages and down trodden area churches. Some times if some one support this ministries, we can help the poor pastors with food, travelling charges and financial gift to strengthen their churches. We are also some times able to help them in building the Prayer Halls. Here is the August Monthly Pastoral report.

FINANCIAL SUPPORT TO PASTORS TO BUILD THEIR PRAYER HALLS IN RURAL VILLAGES

Most of the India Pastors residing in rural areas and hill tribal locations. They are dedicated to preach unreached areas. That's why they don't think that their work don't feed them and fulfil their daily needs. Yet they love the Lords business.
